Grow Your Business With RTS

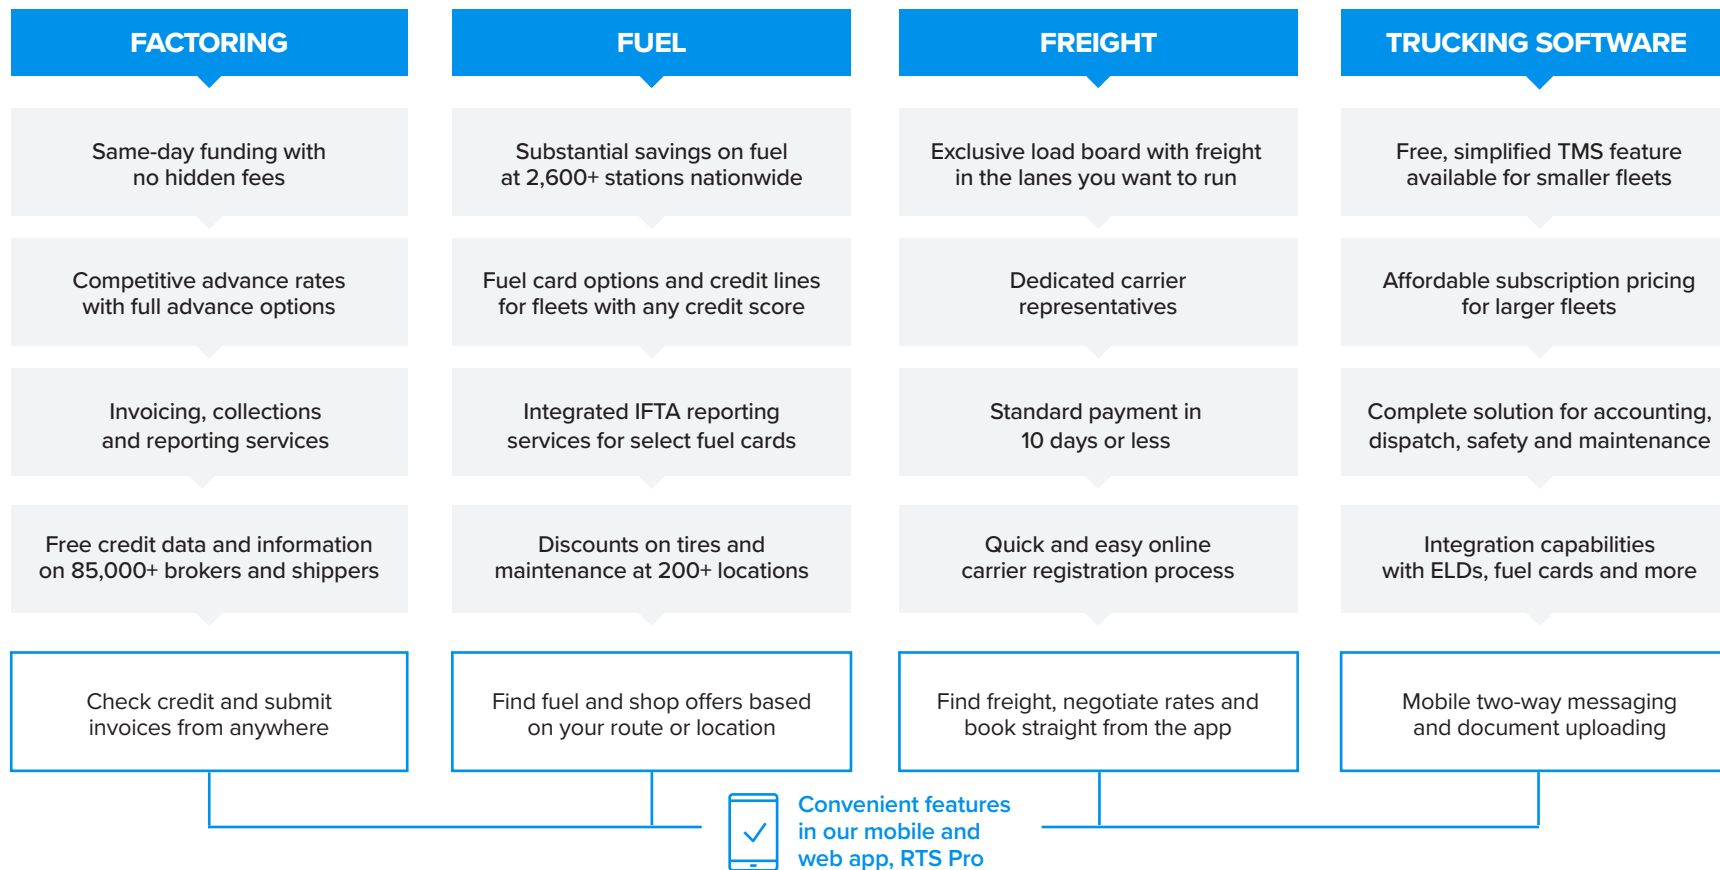

RTS offers an integrated, easy-to-use solution for factoring, fuel savings and trucking software to help you grow faster and improve efficiencies.

THE RTS DIFFERENCE

As part of the Shamrock family of brands, RTS is committed to providing value and success for our customers, our partners and our people. When you work with RTS, you get industry-leading services, enhanced technology and support from dedicated customer service representatives.

Our Services

BENEFITS OF BUNDLING

When you sign up for more than one service from our family of brands, you'll have access to additional savings. For example, when you bundle our fuel card and factoring services, you'll get better fuel discounts and lower factoring rates,* saving you money and improving your cash flow.

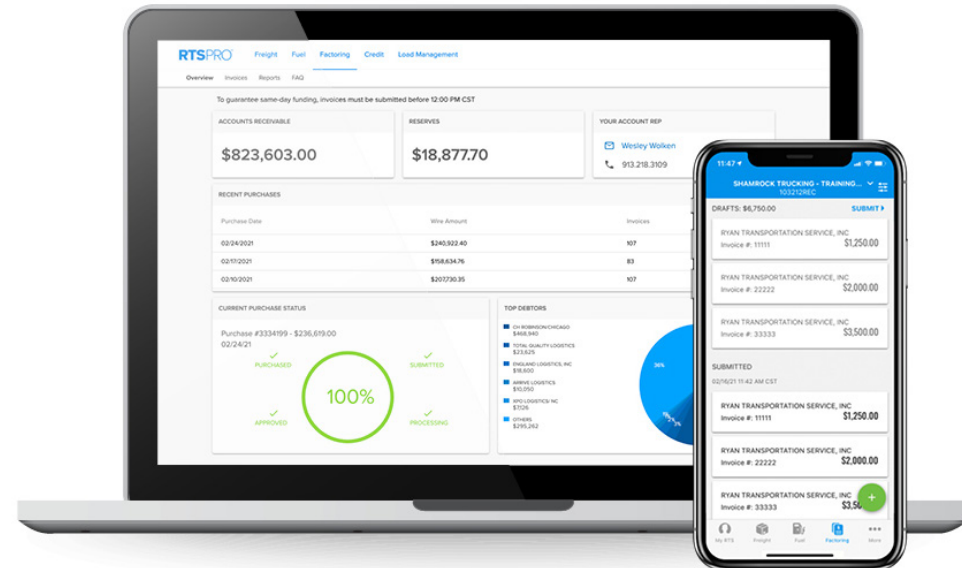

*Terms and conditions apply.

Factoring

Factoring is a financial service where RTS purchases your open invoices and pays you within 24 hours. We then collect payment on those invoices from your customers for a small factoring fee.

BENEFITS OF FACTORING

- ✓ Same-day funding
- ✓ Full advance options
- ✓ No hidden fees
- ✓ Free credit data on brokers and shippers
- ✓ Easy access to balances, statuses and reporting
- ✓ Ability to create invoices and submit documents from anywhere

HOW IT WORKS

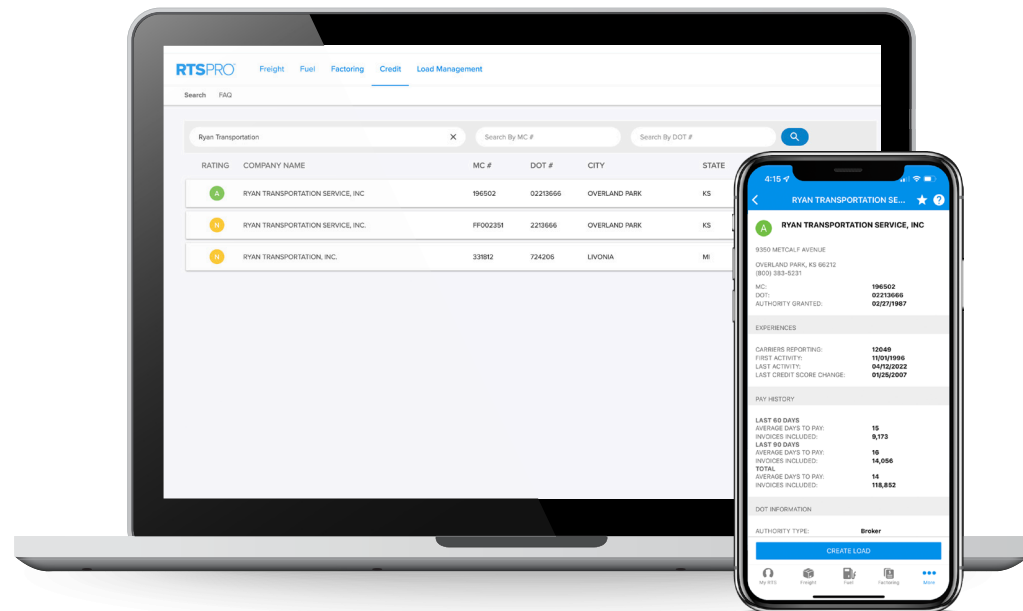

Credit Services

Credit ratings are a valuable tool that help you weigh the risk of working with specific brokers and shippers. Knowing the credit histories and days-to-pay information for potential customers can help you decide whether to book a load from them.

BENEFITS OF CREDIT

- ✓ Free credit data on over 90,000 brokers and shippers
- ✓ Current and accurate days-to-pay information
- ✓ Simple, easy-to-understand rating system
- ✓ Favorites list to quickly check frequent customers
- ✓ Integrated with our free, simple TMS feature to create loads with prefilled debtor information

Fuel Card Program

Whether you're an owner-operator or managing a large fleet, RTS has a fuel card to match your business needs.

FUEL CARD BENEFITS

- ✓ Options for trucking companies with any credit score

- ✓ Point-of-sale discounts off the cash price

- ✓ No annual fees or fuel card contracts

- ✓ Exclusive savings on truck care and maintenance

- ✓ Dedicated customer service representatives fluent in 25+ languages

- ✓ Access to your Pilot myRewards® points in RTS Pro
