**LMTA Foundation Reveals 2023 Louisiana Fleet Safety Award Winners**

*The 19 companies with outstanding safety records are now eligible for two grand prizes to be announced during the Louisiana Trucking Safety Awards on March 4*

**Baton Rouge, La. — February 14, 2023** —The LMTA Foundation, in partnership with Great West Casualty Company, named 19 division winners in the 2023 Louisiana Fleet Safety Awards. These awards stress the importance of safety, recognize professionalism, and focus on the principles behind safe driving programs, according to the LMTA.

"The LMTA Foundation is immensely proud to recognize these companies and their programs," said Renee Ama, executive director of the LMTA Foundation. "This program is an opportunity to reward and recognize the professional efforts of these businesses who are working to make our state's highways safer."

The top three winning companies in each of the 13 mileage and cargo-based divisions had the lowest accident frequency ratios per million miles annually. All companies will be recognized during the Truck Safety Awards on March 4, 2023, at the Renaissance Baton Rouge. Awards for Most Improved and the overall President's Award will be announced during the banquet, with all fleet category winners being considered.

**About the LMTA Foundation**

The LMTA Foundation was established in 2013 as a non-profit organization to fund education, public relations, and research projects for the Louisiana trucking industry. The Foundation is governed by a Board of Directors and is an all-volunteer organization. The mission is to enhance the understanding of and image of the Louisiana trucking industry, increase highway safety and pursue workforce solutions for the industry. To learn more about the Foundation, visit [www.lmta.foundation](http://www.lmta.foundation).
