Louisiana DOTD Permits

[Tina.Pietri@la.gov](mailto:Tina.Pietri@la.gov)

(225) 377-7109

- Objective is to assist and bring an understanding of the following
- What are the legal dimensions and weights?
- When is a permit necessary?
- How can a permit be obtained?

# DOTD Police Mission

- Mission: The Department of Transportation and Development (DOTD) Police will protect with courage and vigilance, while serving with professionalism and honor. DOTD Police is charged by Louisiana state statutes and Transportation Commission Rules and Regulations to protect the public and the transportation critical infrastructure by enforcing the commercial vehicle weight and size limits, and, driver and vehicle safety equipment inspections. Other responsibilities include, enforcement of fuel tax, operational authority, seizure of contraband, recovery of stolen property, arrest of fugitives, and rescue of human trafficking victims.

# DOTD Police Vision

- Vision: The Department of Transportation and Development (DOTD) Police will strive to be a model state law enforcement agency, through an expectation of excellence, impartiality, and commitment to the residents and visitors of our State, through unparalleled service

# Where are the DOTD Police Stationary Scales?

- Baptist-- Interstate 12
- Breaux Bridge --Interstate 10
- Delta Interstate-- 20
- Greenwood-- Interstate 20
- Kentwood --Interstate 55
- LaPlace-- Interstate 10
- Starks-- Highway 12
- Toomey-- Interstate 10

# Legal Weights on Louisiana Interstates and Highways **LRS 32:386**

- The total gross weight of any vehicle or combination of vehicles shall not exceed eighty thousand (80,000) pounds, and no vehicle or combination of vehicles shall exceed its licensed gross weight. 386 A
- The total gross weight of any combination of vehicles which has a tridum axle or a quadrum axle shall not exceed eighty-eight thousand (88,000) pounds while operating on any state-maintained highway except the Interstate System and shall not exceed eighty-three thousand four hundred (83,400) pounds while operating on the Interstate System within this state. 386 I

- MAXIMUM LEGAL AXLE WEIGHT ON INTERSTATE SYSTEM
- SINGLE AXLE----- 20,000 LBS. 386 C
- TANDEM AXLE-----34,000 LBS. 386 D
- TRIDUM AXLE-----42,000 LBS. 386 E(1)
- QUADNUM AXLE--50,000 LBS. 386 E(2)
- QUINT AXLE --- 58,000 LBS.

- MAXIMUM LEGAL AXLE WEIGHT ON NON-INTERSTATE SYSTEM
- SINGLE AXLE----- 22,000 LBS. 386 K
- TANDEM AXLE-----37,000 LBS. 386 K
- TRIDUM AXLE-----45,000 LBS. 386 K
- QUADRUN AXLE--53,000 LBS. 386 K
- QUINT AXLE – 61,000 LBS. 386 K

Maximum legal gross weight of any combination of vehicles that has a  
Tridum, Quadrum, or Quint axle is :

Interstate highways - 83,400<sup>386 I</sup>

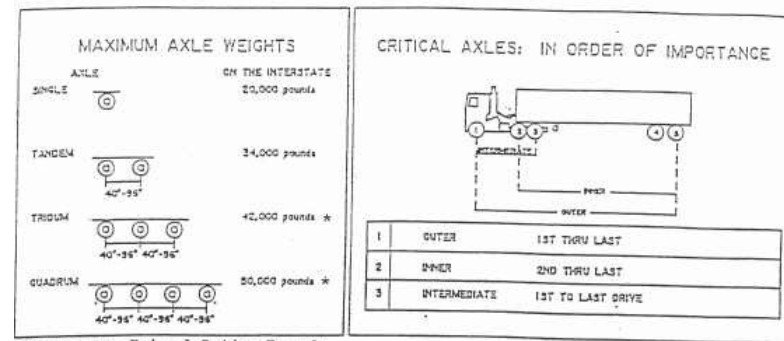

Non Interstate highways- 88,000<sup>386 I</sup>

# How to determine weight

- Steer Axle- on interstate systems, the Gross Axle Weight Rating (GAWR) is found in the door jamb of the Truck.
- On non-interstate systems, the Steer Axle weight is determined based on the tire width.

\* Must meet Federal Bridge Formula length limits

### MAXIMUM ALLOWABLE AXLE WEIGHTS for SINGLE MOUNTED VARIOUS SIZE TIRES

Metric Min/Max	= Inch	Weight Allowed
191 - 215	= 8	11,000 lbs
216 - 241	= 9	12,000 lbs
242 - 266	= 10	13,000 lbs
267 - 291	= 11	15,000 lbs
292 - 317	= 12	16,000 lbs
318 - 342	= 13	17,000 lbs
343 - 368	= 14	19,000 lbs
369 +	= 15+	Interstate 20,000 lbs non-Interstate 22,000 lbs

# Drive Axle

- **Single axle**
  - 20,000 on Interstate
  - 22,000 on non interstate highways
- **Tandem Axles**
  - 34,000 on interstate
  - 37,000 on non interstate highways
- **Tridum Axles**
  - 42,000 on interstate
  - 45,000 on non interstate highways

Drive Axles

# Drive axle cont'd.

- Quad axles
  - 50,000 on interstate
  - 53,000 on non interstate highways
- Quint axles
  - 58,000 on interstate
  - 61,000 on non interstate highways

# Trailer axles

## Single axle

20,000 on Interstate

22,000 on non interstate highways

## Tandem Axles

34,000 on interstate

37,000 on non interstate highways

## Tridem Axles

42,000 on interstate

45,000 on non interstate highways

Trailer axles

# Trailer axles cont'd.

- Quad axles
  - 50,000 on interstate
  - 53,000 on non interstate highways
- Quint axles
  - 58,000 on interstate
  - 61,000 on non interstate highways

Trailer axles

- When is a permit needed?
- Over weight
- Over width
- Over length
- Over height

# Width LRS 32:380

- The maximum width of any load or vehicle is 8 feet 6 inches. Anything over this will require an Oversized Permit.
- Contact the permit office to purchase this permit for width and to be routed properly.

# Escorts for Width

- A private escort is needed if the width of load or vehicle is to exceed 12 feet. This private escort is required to have an annual Escort Permit, purchased through the Louisiana Permit Office.

# State Police Escort for width

- If the width is greater than 16 feet, a State Police escort is required.
- Be sure to contact city or police authority if advised on the permit.
- Some permits restrict moves through the city during certain times of day.

# Length LRS 32:382

- A single vehicle shall not exceed 45 feet without a permit for length. 382 A (1)
- The Trailer is not to exceed 59 feet 6 inches. Any trailing unit longer than this will require an oversized permit. 382 A (1)
- A load cannot project more than 4 feet beyond the front of a single vehicle or the front of the foremost vehicle of a combination of vehicles. 382 B(1)
- A load cannot project more than 8 feet beyond the rear of the bed or body of a single vehicle or the rear vehicle of a combination of vehicles. 382 B(1)

# Length cont'd

- The maximum legal length of any trailer, semi-trailer portion of a twin trailer combination of vehicles shall not exceed 30 feet. 382 A(1)
- The maximum legal length of a combination of vehicles on highways **other** than the designated truck route shall be 65 feet. LAC Title 73 §503 E. 2.

This crane is over 45 feet long, is 9 feet 4 inches in width and weighing over 80,000 lbs.  
An Oversized/Overweight permit is required for its length, width, and weight.

# Escort for Length

- A private escort is required if the total measurement from front bumper to rear of the load (either the rear bumper or over hang whichever is greatest) is greater than 90 feet.
- The Escort is required to have an Annual Escort Permit purchased through the Permit Office.
- A State Police escort is required for anything greater than 125 feet in length.
- Be sure to contact city or police authority when/if going through city limits due to certain criteria if advised on the permit.

# Height

Legal Height:

14 feet on the interstate

13 feet 6 inches on non interstate highways

# Routes

Permit loads have Authorized routes based on their size and/or weight. It is the responsibility of the driver to check their route.

Permit Number: 20223360189-0

Louisiana DOTD

Issued: 12/02/2022 08:48:54

#5

NOTICE TO HAULER: At all railroad grade crossings ground clearance shall be verified before crossing with a permit load.

#6

No movement on CERTAIN HOLIDAYS.

#7

State Police Escort required.

#8

Steerable Dolly required.

#9

This permit does not authorize travel through construction zones, posted bridges or on structures or roadways with horizontal or vertical clearances less than the permitted vehicle.

#10

Upon inspection you MUST provide proof of insurance, current registration, valid driver's license and all required equipment must be in working condition.

Legal Agreement

The applicant agrees to defend, indemnify and hold harmless the department and its duly appointed agents and employees from and against any and all claims, suits, liabilities, losses, damages, cost or expenses including attorney fees sustained by reason of the exercise of this permit, whether or not the same may have been caused by negligence of the department, its agents or employees.

This permit is solely for movement on state and federal highways. This permit does not include or extend to permission for travel on any parish/local/city/private streets or roads. Applicable local authorities should be contacted in order to obtain any necessary permits or permission for travel on any non-state or federal highway.

# Annual Permits

Some companies purchase annual permits for oversized or overweight commodities. Based on annual permits being used for multiple trips, an individual commodity is not listed. It is the company's responsibility to know what would qualify as a permitable load. (i.e. two separate pieces of machinery on the trailer would void the permit for that load.)

**OFFICE CLOSURE:** The Truck Permit Office will be closed on May 26, 2025 in observance of Memorial Day. Movement will not be prohibited.

**ATTENTION:** All commercial vehicles must detour on I-220 in Bossier City/ Shreveport area

**UPDATE:** Since December 1, 2024 invoices are no longer mailed. Invoice reminders are sent to customers Billing Information email.

**Please be advised that our office can no longer accept Special Annual Permit applications via Fax or Email, you will need to call into our office at 800-654-1433 or set a customer account using our LaGeaux Permit System.**

Prepaid forms and Control forms can now be purchased online for immediate delivery via email.

**Notice:** Insurance changes have been made to Oversized and Overweight (OSOW) Permitting. OSOW truck loads seeking to operate in Louisiana shall be required to present a certificate of insurance for a minimum of \$100,000. The insurance certificates are required to be on file as of *December 4, 2019*. Insurance will now be entered by customers or their permitting services.

Escort Vehicle Permits will expire each year on December 31st. regardless of start date. They must also have proof of coverage for general liability insurance, motor vehicle liability insurance, and workers' compensation, each providing for a minimum of five hundred thousand dollars in coverage (La. R.S. 32:387.1).

# Through the LaGeaux Account there are different ways to obtain a permit:

- WALK-IN SERVICES
- INTERNET
- WIRE SERVICES
- MAIL
- CHARGE ACCOUNTS
- CASH BOND OF \$1000
- SURETY BOND OF \$1000

# Permit availability once purchased

- Permits must be with the vehicles they are issued to.
- The department will accept digital copy's on phones or tablets.
- The permits must include required information, must be legible, and are verified for authenticity.

Agents can view current and previous permits purchased based on criteria (License plate, VINs etc.)
